SAN FRANCISCO, CA – JANUARY 18, 2018 - [The Bently Reserve](#), a premier San Francisco wedding and special event venue, is proud to announce the opening of its stylish new Couples Lounge. This glamorous space was created to give wedding parties a place to get ready and provide couples with a private space to relax before the big event. While not in use during a wedding, the lounge is transformed into a resource center for couples to meet with a Bently Reserve event coordinator, view inspirational picture books of previous weddings, as well as gather vendor information to assist with the planning stages.

Designed by [Blueprint Studios](#), a renowned event design firm in San Francisco, The Bently Reserve Couples Lounge features cream colored walls and plush carpeting accented with grey and metallic silver furnishings. An elegant white vanity with gold chairs provides the bride and her bridal party the perfect spot for make-up touch ups. A modern grey sofa dotted with purple satin pillows and surrounded by an assortment of velvet armchairs offers a cozy spot to relax. A Samsung 46" LED flat screen television connected to a camera inside the opulent Banking Hall allows couples to view their wedding preparations and the arrival of their guests.

The Couples Lounge is available for complimentary use for bridal parties throughout the day of the wedding. For more information about the Bently Reserve, contact Director of Events & Sales Jim Bruels, (415) 294-2226, [jim.bruels@bentlyreserve.com](mailto:jim.bruels@bentlyreserve.com).
